

Dear Prospective Applicant,

I am pleased to inform you that the [Summer Institute of Advanced Epidemiology and Preventive Medicine at Tel Aviv University](#) is now accepting applications for Summer 2015 (July 12-17 / July 19-24)!

The Summer Institute, in collaboration with Johns Hopkins University School of Public Health, offers intensive, one-week courses taught in English by world-renowned faculty from Johns Hopkins University (JHU), Tel Aviv University (TAU), Northwestern University (NU), World Health Organization (WHO), United States Centers for Disease Control and Prevention (CDC), and other academic and research institutions.

The following courses will be offered this summer:

- [Intermediate Observational Epidemiology](#)
- [Food Security and Public Health](#)
- [Medical Writing](#)
- [Hospital and Community Infection Control Preparedness Facing Emerging Pathogens](#)

Further information and course descriptions can be found online: [Summer Institute 2015](#).

To apply, please visit [Tel Aviv University International](#) and select "Apply Now".

Sincerely,

Zoe Blatt, MPH
Program Coordinator, Summer Institute of Advanced Epidemiology and Preventive Medicine

On behalf of:
Prof. Daniel Cohen
Head, School of Public Health
Sackler Faculty of Medicine
Tel Aviv University, Israel
