

5th INTERNATIONAL CONFERENCE ON OXIDATIVE STRESS IN SKIN BIOLOGY AND MEDICINE

1- 4 September 2011, Andros, Greece

Abstract deadline June 30, 2011

Honorary Chairmen

Lester Packer (U.S.A.)

Howard I. Maibach

Scientific Committee

Sies H. (Chairman)

Antoniou Ch

Bauer G.

Black H.

Deliconstantinos G.

Fisher-Fodor E.

Katsarou A.

Korac B.

Kourounakis P.

Reznick A.

Svanberg K.

Valacchi G.

Organising Committee

Aggelou A.

Antipas A.

Bavavea E.

Bazelidze N.

Christopoulou A.

Dania F.

Daskalaki S.

Flitouri S.

Georgakopoulou P.

Ioannidou V.

Kallergis A.

Katsa I.

Korres D.

Koukouzellis D.

Koulouridi I.

Kourounaki A.

Kyriazi M.

Liakos S.

Pakitsa V.

Papaioannou G.

Petri A.

Petridis G.

Pippa A.

Prinou K.

Protopapa E.

Rallis M.

Thoma E.

Varvaessou P

Yova D.

Zachos A.

Zourmpaki E.

Main topics:

- Sun light and antioxidants
- Cell signaling (gene expression, inflammation, cancer, apoptosis and aging)
- Skin pharmacokinetics, metabolism
- Skin protection: topical, diet
- Photodynamic therapy and oxidative stress
- Natural products: terrestrial and marines
- Mediterranean diet-Nutritional supplements and skin aging
- Metal ions
- Bioassays and analytical techniques
- Wound-Burn healing and diabetic skin
- Pesticides and skin

The Conference will comprise:

- Regular sessions of oral and poster presentations
- Special sessions on topics of current importance
- Various social and cultural events related to the island of Andros
